2. 'Soft Skill Development Programme'

The concerned department needs to organize sessions on 'soft skills development' in association with the 'Soft Skills Development Cell' of the college. This programme will help students to accommodate themselves in the professional environment at a faster pace. Contents of the programme may be finalized in association with the industry experts.

3. Clusters

Few colleges located in geographical vicinity may think of coming together and formation of 'Cluster' to implement Internship Programme jointly. This will ease the process of contacting the Internship providing companies and execute all related activities. The colleges will save on funds, manpower and time if the programme is implemented through clusters.

4. Evaluation and credits

The Internship Programme has replaced existing practicals and practical examination of Discipline Specific Special Subjects - Paper II & III for semester V & VI. However, the same number of credits allotted to practical and practical examination have been transferred to 'Internship Programme'.

The process of evaluation has been restructured as below:

Process of Evaluation- Semester V

Semester V		
Discipline Specific Special Subject, Paper II	Discipline Specific Special Subject, Paper III	Total Marks
Maximum Marks - 20	Maximum Marks - 20	40

Methodology for Evaluation:

This evaluation is to be done prior to joining the Internship Programme.

The student will prepare a plan for proposed internship programme. The plan may contain following aspects: -

PRINCIPAL

S.S. Dhamdhere Arts & Commerce College,
Talegaon Dhamdhere,
Tal. Shirur, Dist. Pune-412208.

Guidelines for Teachers

Post - Internship Functions

- After the students have successfully completed the Internship Programme, teachers are required to convene a batch wise meeting of students to know their experience and overall opinion about the utility and effectiveness of the programme.
- Teachers should also try to compare the feedback received from the students regarding the industry requirements with the prevailing curriculum and try to bridge the gap by organizing guest lectures, assigning projects to the student, organisation of industrial visits etc.
- These endeavors will help students to undergo the Internship Programme in a more confident manner.

Process of Evaluation- Semester VI

Semester VI		
Discipline Specific Special Subject, Paper II	Discipline Specific Special Subject, Paper III	Total Marks
Maximum Marks - 20	Maximum Marks - 20	40

Methodology for Evaluation:

1. This evaluation is to be done after the student has successfully completed the Internship Programme.
2. The student will prepare a presentation based on the work performed by him/ her during the internship programme.
3. The parameters for evaluation are as below:-
 - Hard Skills learnt by the student
 - Soft skills / communication skills developed by the student
 - Outcome of the Internship Programme
 - Feedback received from the Internship Providing organisation
 - Value addition in the overall knowledge of the student
 - Quality and contents of the presentation
 - Contribution of the student towards the organisation

Subject :- Request for inclusion of students of our college for Internship Programme...

Madam / Sir,

Savitribai Phule Pune University has introduced 'Internship Programme' for Third Year B. Com. Students in its revised syllabus.

The purpose of the internship programme is to provide hands-on training and experience to the students about various aspects of business and commercial activities. The internship will also enhance employability of students.

In view of this, I request you to provide following students of our college (List enclosed) with an opportunity for internship in your esteemed organisation.

We would appreciate if you could provide exposure of the following business activities to these students:-

Mention here the key contents of the discipline specific special subject selected by the student

We look forward to a mutually rewarding academic association with your organisation.

Thank you.

Sincerely,

**Savitribai Phule Pune University
Faculty of Commerce & Management
Structure for Three - Year**

**B.Com. Degree course (Choice Based Credit System)
(2019 Pattern)**

With effect from June 2019

Preamble:-

Commerce education is that area of education, which develops the required knowledge, skills and attitudes for the handling of Trade, Commerce and Industry. Commerce education is entirely different from other disciplines. Hence, it must charter Course routes to service the aspirations of the nation. To meet the growing needs of the business society, there is greater demand for sound development of commerce education. The relevance of commerce education has become more imperative, this means a marked change in the way commerce and management education is perceived in India. The Commerce education is dedicated to developing tomorrow's leaders, managers, and professionals.

The existing education system of imparting commerce education needs to be more dynamic to incorporate all local and global changes in the field of trade and commerce. The curriculum needs to be restructured accordingly. The learning inputs are required to be more update, skill based and with appropriate applications. This will be achieved through the introduction of Choice based Credit System at undergraduate level.

The choice based credit system offers a cafeteria approach where the students have the liberty to choose courses of their own choice. The credit system allows students to opt for additional courses where he /she can score more than the required credits. The system will focus on student centric learning methods, which include use of Information and Communication Technology, innovative methods of teaching and learning and emphasis on industry interaction to enable the learners to take up professional challenges more effectively.
